Headteacher's message

Dear Parents and Carers,
It has been a busy week at Wrekin View with the focus for lots of the team being to support the Year 6 children through the KS2 SATS. I would like to publicly thank all of the staff involved as they have worked exceptionally hard to make the process as smooth and as low-stress for the children as possible.
The Year 6 children have been remarkable this week and they continue to amaze us all with their hard work, attitude to challenge and the resilience they have shown. We are all so proud of them and we are planning a fantastic final half term for them at Wrekin View.
Further details will follow and we will be sharing all school events for the final half term with you all next week. There is still lots ahead for all of our children.

Mrs Atherton

PTA update

Our current PTA have been in place for the last academic year and have worked really hard as a team to provide lots of fun and engaging activities for our children and the wider community.

Highlights of the last year include a Valentine's disco, a Christmas disco, an EYFS Easter bonnet parade and a KS2 Easter scavenger hunt! They are currently working hard behind the scenes to organise our Summer fair which will take place on Friday 4th July.

At this time of year, the PTA have to be elected into their positions for next year and you all have the chance to express your interest in supporting the PTA going forward.

Please spend a short time completing the link below which will have your voices heard on how the PTA is formed for the next academic year:

<https://forms.office.com/e/tssD56UEUc>

We are particularly looking to increase the number of committee members for next year who will attend meetings and support events, so if this sounds like something you would like to do, please nominate yourself on the form.

Move more in May

Miss Howells supported by Mr Kilburn will be holding a **Parent Zumba class on Wednesday 21st May at 9am**. It promises to be lots of fun so if you can please come and join them. Babies and toddlers welcome to come too!

Saturday 7th June at 9am Wrekin View Community Walk at Telford Town Park. All welcome to join us.

Careers Fair

We are extremely grateful to volunteers from our school community (parents and governors) who have given up their time to support our annual careers fair this week. All of the children from Y1 to Y6 had the opportunity to speak to people from a range of professions such as beauty and hairstyling, data management, nursing, journalism, engineering, the food industry and local council to name just a few. The careers fair really helps to publicise some of the jobs that our children are less familiar with and the children asked lots of questions as well as completed lessons back in class about their own aspirations. We also had a visit from a journalist at the Shropshire Star who took photos and interviewed children about the event.

Mr Kilburn

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

ATTENDANCE UPDATE

Good Afternoon,

I am delighted to share that our school is continuing to make significant strides in improving pupil attendance this year. Through a combination of proactive strategies and community engagement, we've seen a noticeable increase in the number of pupils attending school regularly.

One of the key initiatives that has proven to be popular is the weekly attendance challenge, where classes compete for the highest attendance rates in their phase. This friendly competition has fostered a sense of teamwork and accountability among pupils. Additionally, we've implemented a system of rewards and recognition, celebrating both individual and class achievements in attendance during assemblies and through certificates.

Open and consistent communication with parents has been crucial. Regular updates about attendance patterns and early identification of any concerns have allowed us to address issues promptly and collaboratively. We encourage parents to continue reporting any barriers to attendance, so we can offer the necessary support.

We thank all parents and carers for their ongoing support in helping our students achieve excellent attendance. Together, we are making a positive impact on our children's education and future success.

Miss Stephenson
