## Wrekin View Primary – Trips & Visits Overview 2025–26

Dear Parents and Carers,

As part of our curriculum, each year group will take part in a range of trips and visits this academic year. These opportunities are carefully chosen to enrich learning and provide memorable experiences for the children.

To support families with planning and budgeting, we have prepared an overview of the visits for the year, including approximate dates and costs. A one-page summary table is attached for ease of reference. Please note that some details may be subject to change, and we will always confirm arrangements nearer the time.

We understand that trips can be a financial commitment, and we are committed to ensuring that all children are able to take part. Where needed, we can provide flexible payment options to support families.

Thank you for your continued support in helping us provide these valuable experiences for our pupils. If you have any questions about trips or need to discuss payment arrangements, please do not hesitate to contact the school office.

*\*(All dates and costs are approximate. Final details will be confirmed nearer the time. Payment plans and support are available – please contact the office if needed.)*
