Headteacher's message

Dear Parents and Carers,

Over the next two weeks, we have some school events taking place and we would love to see you there. If you are unable to attend, please don't forget that other family members such as aunts, uncles and grandparents are welcome to attend and support your child. Wrekin Giants are also offering a creche service next week so that you can attend without your littlest ones.

The children have been working hard on their writing this week. I have seen lots of 'Wrekin Writes'. These are the final pieces that children complete at the end of a writing unit of work and they are so proud when they bring together everything they have learnt over the last two or three weeks. Year 3 have been writing about the BFG and Language Class have been focusing on The Gruffalo.

Recruitment

We are recruiting for some positions at school so please check out the links if you are looking for work.

Message from the Chair of Governors

Do you want to make a difference at Wrekin View Primary and give something back to our wonderful community? We're looking for new local governors to join our Local Governing Board (LGB) — an engaging, decision-making role at the heart of our school. Being a governor isn't always easy, but it's incredibly rewarding. Everything you do helps drive our school forward to be the very best it can be for all our children. This is a voluntary role. The LGB meets four times a year to provide strategic direction, oversee the school's work, and support the Headteacher and Senior Leadership Team. Governors also make occasional visits to school to learn more about key areas and are encouraged to take part in the

training offered. We're particularly keen to hear from people with professional experience in education, inclusion, health and safety, or stakeholder engagement — though enthusiasm, commitment, and a passion for our school are the most important qualities. If you're interested or want to find out more, please get in touch with me or Mrs Atherton. We'd be happy to invite you to observe our next meeting before you decide.

Mike Ashley
Chair of Governors

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

WEEKLY UPDATE

Good Afternoon

Let's Get Walking! – Join the Living Streets Campaign

This term, we're excited to support the **Living Streets Walk to School campaign**, encouraging our pupils to start their day with a healthy, active journey. Walking to school helps children arrive refreshed, alert, and ready to learn – and it's great for the environment too!

As part of the campaign, children are invited to walk, wheel, or scoot to school as often as they can. Each journey counts towards fun classroom challenges, with stickers and rewards to celebrate their efforts. It's a brilliant way to build healthy habits, reduce traffic around the school gates, and improve air quality for everyone.

Walking also gives children a chance to chat with friends, notice nature, and feel more connected to their local community. Whether it's once a week or every day, every step makes a difference.

Let's work together to make our school journeys safer, greener, and more enjoyable. Thank you for supporting this initiative – and happy walking!

Miss Stephenson
