Headteacher's message

Dear Parents and Carers,

We have made it to the end of our longest half term of the year!

Well done everyone. We are all due a well deserved break.

Christmas dates

Over the half term, Mrs Fisher and I will be adding our Christmas event dates to our school calendar. You can find it at <https://wrekinview.lct.education/about/term-dates/> We will also do an overview sheet for the next half term as we know how busy it can get if you have more than one child in school.

Parents evening

Don't forget to use the My Child at School app to book your appointment. If you are new to school this year, you will have received a letter with further instructions, but for everyone else, it's what we used last year to book appointments.

Halloween Disco

Yesterday, we held our first PTA event of the year. Many thanks to all of the PTA members and school staff who supported the event.

This year one of the aims of the PTA is to ensure that all of the events they hold are fully inclusive of all of our pupils and they did a great job with the disco. We had a quiet space for the children who needed access to it during the disco to enable more children to attend, and the PTA also had ear defenders for those children who needed them.

Happy holidays

I hope you all have a wonderful break and enjoy any celebrations that your families hold dear. Diwali was celebrated on Monday and we all enjoyed learning more about it from our pupils during the class assemblies we held. Happy Halloween and enjoy your week.

Mrs Atherton

Important dates for your diary

Charity drive for dogs

This week, I had the pleasure of speaking with Gracie-Mae in Year 3 about some charity work that she would like to do next half term after having great success two years ago. Gracie-Mae's belief is that 'Every dog should have a present at Christmas' and she is looking to our Wrekin View community to help her with her mission this year.

Two years ago, Gracie-Mae collected over 100 dog toys and 60 bags of dog treats and she wants to do even better this year. After half term, if you can add a little something to her campaign, please send it into school and let's see how much we can collect for Gracie-Mae and the Grinshill Dog Rescue in Shropshire.

Changes to collection arrangements

From the start of the new half term, we will be implementing changes to our end of day collection procedures to further enhance our safeguarding measures. We recognise that family schedules can be demanding and there may be occasions when an adult other than a parent or regular carer needs to collect your child. In such cases, if the individual is not known to the school, we kindly ask that you provide their full name in advance to the office along with a password for collection. Upon arrival, the adult will be required to present identification to confirm their identity. Thank you in advance for your cooperation in helping us maintain a safe and secure environment for all pupils.

Mrs Atherton

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

ATTENDANCE UPDATE

Good afternoon,
We're delighted to share that our school's attendance has steadily improved this term—thank you to all families for your continued support! Regular attendance is vital for children's learning, social development, and overall wellbeing. Every day in school counts, and even short absences can impact progress and confidence. We understand that children may occasionally be unwell or unable to attend. In these cases, it's essential that parents and carers report absences to the school as early as possible. This helps us ensure all children are safe and accounted for, and allows us to offer support where needed.

You can report absences by calling the school office 01952 951405 or send a message via our WhatsApp number 07773130519. Please include your child's name, class, and reason for absence. If your child is off for more than one day, we ask that you keep us updated regularly.

Let's continue working together to maintain high attendance and ensure every child gets the most out of their time at school. If you have any concerns or need support with attendance, please don't hesitate to contact us.

GARDENING CREW HALF TERM HIGHLIGHTS

This half term, our newly formed Gardening Crew have been hard at work bringing nature to life around the school! Here's what we've been up to:

- 🌷 Planted bulbs to brighten up our outdoor spaces in spring.
- 🪴 Created unique container gardens, each one reflecting the creativity of our pupils.
- 🐛 Built a bug hotel to welcome all kinds of mini beasts.
- 🐦 Made bird feeders to help our feathered friends through the colder months.
- 🎃 Finished off with pumpkin carving

A huge well done to everyone involved
