Headteacher's message

Dear Parents and Carers,

Parents' evening

Thank you to all parents and carers who attended Parents' Evening last week. It was wonderful to see so many families engaging in meaningful conversations about their children. Your support and partnership make a significant difference, and we truly value the time you take to celebrate your child's successes and discuss how we can continue to work together to help them thrive. If you were unable to attend, please contact your child's teacher to arrange an alternative time. If you have a child in 4P, I will contact you separately when Mrs Parkes returns to school and a date has been set.

Weather appropriate clothing

As we move through the autumn term, please ensure that children come to school prepared for the changing weather. A warm, waterproof coat is needed every day, and wellies or appropriate outdoor footwear should be kept in school so that pupils can continue to access outdoor learning and field play in all conditions. We want every child to enjoy our wonderful outdoor spaces safely and comfortably, whatever the weather brings.

Christmas performances and events

Now that the dates have been set for the Christmas events in school, there will be further communication coming out to you about costumes, tickets, payments if needed and other arrangements, so please do look out for those as it is a very busy time of the year in school.

Chewing gum

Finally, a polite reminder that chewing gum is not permitted anywhere on the school site therefore children should not be bringing it in. This helps us to maintain a clean, respectful and safe environment for everyone.

Mrs Atherton

Children in Need 2025—Challenge Yourself to 25!

This year the theme is about being able to do things 25 times, so at lunchtime and playtime, the school council will be coming up with fun ideas for the children to do outside. Please ensure that your child is wearing suitable footwear. Children and staff are invited to wear something yellow or spotty or bright.

Please send your children in with as much money as you can spare so that we can try and raise a good amount for the charity. Our school council will be in charge of counting up all of the donations and reporting the total back to you.

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

ATTENDANCE UPDATE

Good afternoon,
Every school day is a small step toward a big dream. When children show up to school regularly, they're not just learning—they're building the confidence and resilience they'll need for life.

Being present in school helps children feel part of a community, develop friendships, and experience success in small but meaningful ways. These daily wins—answering a question, finishing a task, joining in a group activity—gradually build self-belief and a sense of achievement. Over time, this strengthens their ability to face challenges, bounce back from setbacks, and keep going when things get tough. Resilience isn't something children are born with—it's something they grow through experience. And regular attendance gives them those experiences. It helps them learn that effort leads to progress, and that they are capable of overcoming obstacles.

As parents and carers, you play a key role in this journey. Encouraging your child to attend school every day, even when it feels hard, sends a powerful message: you believe in them and their future. Quorra, in Year 6, has said, "Our attendance help us with many things in life. In school we can socialise with others and when I go to school, I am with my friends."
