Headteacher's message

Dear Parents and Carers,

This week, I was very proud of how calmly and respectfully the children took part in the two-minute silence. Their behaviour showed real thoughtfulness and a strong sense of community. Our youngest children in early years also joined in so well and developed their understanding of this as a special time of year for all of us. The children have also worked exceptionally hard on their pieces for our Remembrance display, and the quality of their work reflects their growing pride in contributing to something meaningful as a whole school.

Thank you to all of the parents who have supported us with our amendment to our collection procedures by providing passwords if a different person is collecting the children. We are continually reviewing our procedures and looking at how we can improve them week by week.

Next week, we will shift our personal development focus to anti-bullying. This is an important part of creating a safe and welcoming environment for every child. As part of this work, we will be taking part in our own odd socks day on Friday, celebrating kindness, uniqueness and standing up for one another. I look forward to seeing the children engage positively as we continue to build a culture where everyone feels they

Children in Need 2025—Challenge Yourself to 25!

Thank you so much for all of your support with donations and sending the children into school in their yellow, spotty and bright clothing. We were very impressed; and special thanks to all of you who made home made t-shirts and the lovely face paint you did.

Even though it was lashing down with rain at lunchtime, our school councillors managed to get some of our children completing the activities they came up with, and this afternoon, I saw some of them hard at work counting up the donations. I will share the final total with you when they have finished counting.

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

ATTENDANCE UPDATE

Good afternoon,

At Wrekin View, we believe that every child deserves the best possible start in life—and that begins with being in school, on time, every day. Good attendance is the foundation for learning, friendships, and personal growth. It helps children build routines, resilience, and a sense of belonging that supports both academic and emotional development.

When children miss school, even occasionally, it can disrupt their progress and confidence. Over time, these gaps can affect achievement and limit future opportunities. That's why we're asking families to join us in making attendance a shared priority.

Let's work in partnership to ensure our pupils are ready to learn, grow, and succeed. If you're facing challenges with attendance, please speak to us—we're here to help.
