

Wrekin View Primary School & Nursery

January 2026

Dear Parent/Carers

Year 5 Xplore Science Visit

We are excited to inform you that our Year 5 classes will be going on a school trip to the **Xplore! Wrexham** on **Wednesday 25th March 2026**.

The pupils will take part in an exciting, hands-on science workshop all about **forces and rockets**. Children will explore the scientific principles needed to launch a rocket and discover how different forces affect movement and flight.

During the workshop, learners will:

- Discuss what is needed to successfully launch a rocket
- Design and create their own paper rocket
- Test their ideas by launching their rockets across the room
-

This interactive session encourages curiosity, teamwork and problem-solving, while bringing classroom science to life in a fun and memorable way.

We are really looking forward to this exciting day of creativity and exploration!

Children must come to school wearing their school uniform and bring a waterproof coat. Children will also need a packed lunch, if your child is in receipt of free school meals a packed lunch will be provided, children are also welcome to order a packed lunch from school if they prefer (via parentpay).

In order for this visit to go ahead we are asking for a voluntary contribution of £14.50 per child to be paid in the following instalments on the Parentpay App. The final balance is required no later than **Friday 13th March 2026**.

Amount	Date Due
£7.25	2 nd February
£7.25	2 nd March

Please be advised that if insufficient funds are received, the trip will not go ahead.

Kind regards

Year 5 Team
