Dear families,

As we reach the end of another successful school year, I would like to take a moment to reflect on what has been a truly special year for our Wrekin View community.

This week, we were delighted to welcome the Mayor of Wellington to school to celebrate one of our pupils, Charlotte from Nursery, who has been awarded a special Hero Award. Charlotte has shown remarkable courage, kindness and maturity in helping to care for her mum when she is unwell. We are incredibly proud of her.

As we reflect on the year, I would like to thank all members of our school community. Our children, parents, teachers and support staff each contribute to making Wrekin View a positive, caring and ambitious place to learn and work. We could not do it without you.

Thank you for your continued support, challenge, encouragement and partnership throughout the year. It has been a privilege to see our children grow in confidence, develop new skills and create lasting memories. We are incredibly proud of all they have achieved.

I wish all of our families a happy, restful and safe summer holiday and look forward to welcoming everyone back in September for another exciting year ahead.

Mrs Atherton

A message from our governors

As we reflect on another wonderful year at Wrekin View Primary School, I would like to extend my sincere thanks to everyone who contributes to making our school such a special place.

We are incredibly proud of the exciting experiences offered to the children to help them grow academically and equip them with life skills that they can build on; the huge success of the on-site swimming provision earlier in the year was a highlight! The children's continuing academic achievements demonstrate the dedication of our staff and the hard work of our children.

The extensive range of extra-curricular activities from after school clubs to exciting field trips continues to enrich school life, enabling pupils to discover new talents, develop friendships and broaden their experiences beyond the classroom. Thank you to our teachers and support staff for their unwavering commitment, to the PTA for their enthusiasm and generosity, and to parents and carers for their continued support and partnership. That our children come to school with such a positive outlook and enthusiasm to learn is a credit to everyone involved in helping them on their school journey.

Most importantly, thank you to our pupils. Your enthusiasm, kindness and determination make us proud every day. You truly embody our vision of being happy, successful, curious communicators. To our year six students, we wish you well and look forward to hearing of all your future adventures and successes!

Mike Ashley

You've worked hard, believed in yourselves and shown what you're capable of.

WE ARE SO PROUD OF EACH AND EVERY ONE OF YOU!

A HUGE thank you!

To every adult who has supported our Y6 children on their journey - **THANK YOU.**

Your encouragement, belief, time, patience and care have made such a difference. Whether you've taught, supported, listened, cheered, challenged, nurtured or simply been there - you have helped shape their success.

★ OUR Y6 CHILDREN ARE READY.

They are a GREAT set of children - with HEART, SASS, HUMOUR, FUN and PERSEVERANCE. They face challenges with determination, bring joy to every day and leave a positive mark wherever they go.

To our amazing Y6 - we are so proud of you.

The future is bright, and we cannot wait to see all the incredible things you go on to achieve.

WELL DONE, Y6! YOU'VE BEEN AMAZING.

Our mission is to provide a warm, welcoming, and safe learning environment that fosters the development of every pupil.
Our vision is to cultivate an environment where every pupil becomes a happy, successful, and curious communicator.

ATTENDANCE

If your child is unwell and cannot attend school please call or leave a message on our WhatsApp : 07773130159 explaining what the illness is before 8:30am. If you are unsure whether to send your child we can advise or you can use [NHS Is my child too ill for school](#)

If your child is absent for several days, we may want a video call with the child or we may come out to see your child. The law has changed since August 2024 and Penalty Notice Fines may be issued for 10 unauthorised absences across 10 school weeks.

Attendance

We are delighted to share that attendance across the school has continued to improve this year and currently stands at a very positive 95.2%. This is a fantastic achievement and reflects the strong partnership between school and home. Despite the recent tummy bug affecting a number of children and families, overall attendance has remained strong, demonstrating the commitment of our parents and carers to ensuring children attend school regularly whenever they are well enough to do so.

We would like to thank all parents and carers for their hard work in keeping children healthy, establishing good routines and reinforcing the importance of attending school every day. Good attendance is one of the most significant factors in helping children achieve their full potential, develop friendships and build confidence, and we are grateful for your continued support in promoting these positive habits.

We have also seen a significant improvement in punctuality this year, with late arrivals remaining very low. Arriving at school on time helps children settle quickly, begin learning immediately and make the most of every lesson. This improvement is a direct result of the efforts made by families to ensure children are ready and prepared for the school day.

Thank you for your continued support. Together, we are creating excellent habits that will benefit our children both now and in the future.

Miss Stephenson

As we approach the end of another fantastic school year, we'd like to thank you for your continued support with your child's maths learning.

Over the summer, encourage your child to get involved in:

Shopping

- Adding totals
- Comparing prices
- Working out change

Cooking and Baking

- Measuring ingredients
- Reading scales
- Doubling or halving recipes

Days Out

- Reading timetables
- Calculating journey times
- Estimating distances

Games

- Card games
- Board games
- Dominoes
- Dice games

Thank you for all your support this year. We are incredibly proud of the progress the children have made in maths and look forward to seeing them continue to grow as confident mathematicians in the future. I hope you all have a safe, relaxing and enjoyable summer holiday.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings.
Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family.
Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard.
Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help.
Throw something that floats to somebody that has fallen in.
